

## IAP-AD 2017 Scientific Program

### **Pre-Conference Workshop: Wednesday, 15<sup>th</sup> November 2017**

8:30-16:30: Gynaecologic Pathology Workshop

**Faculty: Dr. Rouba Ali-Fehmi and Dr. Asma Faruqi**

14:00 - 16:00: IAP- AD Council Meeting

19:00 - 19:30: Opening ceremony

19:30 - 20:00: Kamal Ishak Lecture, Prof. Ray McMahon

20:00 – 23:00: Welcome reception

## Day 1: Thursday, 16<sup>th</sup> November 2017

Time	Program	Speaker
8:00 – 8:30	<b>Registration</b>	
8:30 – 11:20	<b>SESSION I: BREAST PATHOLOGY</b>	
8:30-8:50	Approach to breast core biopsy	Prof. Naila Kayani
8:50-9:30	Papillary lesions of the breast	Prof. Emad Rakha
9:30-10:00	Slide discussion	Prof. Naila Kayani
10:00-10:30	<b>Tea break &amp; Poster viewing</b>	
10:30-11:10	Spindle cell lesions of the breast	Prof. Emad Rakha
11:10-11:20	<i>Interactive discussion</i>	
11:20– 12:50	<b>SESSION II: HEAD &amp; NECK PATHOLOGY</b>	
11:20-12:00	HPV related Carcinomas of the Head and Neck	Dr. Mary Toner
12:00 -12:40	Update on Salivary gland neoplasms	Dr. Mary Toner
12:40-12:50	<i>Interactive discussion</i>	
12:50 –13:50	<b>Lunch break &amp; Poster viewing</b>	
13:50-14:20	<b>Oral Abstract Session I</b>	
14:20 –16:30	<b>SESSION III: LYMPH NODE PATHOLOGY</b>	
14:20-15:00	'What is new in updated 2016 WHO Lymphoma Classification?'	Dr. Shahid Pervez
15:00-15:40	'Double Hit/Double Expressive Large B-cell Lymphoma: Worst of both worlds'	Dr. Shahid Pervez
15:40-15:50	<i>Interactive Discussion</i>	
15:50 -16:10	<b>Tea break &amp; Poster viewing</b>	
16:10-17:10	Slide seminar: paraneoplastic syndrome	Prof. Kristen Henry & Prof. Abbas Agaimy

## Day 2: Friday, 17<sup>th</sup> November 2017

Time	Program	Speaker
<b>8:30 – 10:00</b>	<b>SESSION IV: ENDOCRINE PATHOLOGY</b>	
<b>8:30-9:10</b>	New entities in Thyroid pathology: Updates according to the WHO Classification	Dr. Ronald de Krieger
<b>9:10-9:50</b>	How to diagnose malignancy in adrenocortical tumors and pheochromocytomas: histology or molecular analysis?	Dr. Ronald de Krieger
<b>9:50-10:00</b>	<i>Interactive discussion</i>	
<b>10:00 -10:30</b>	<b>Tea break &amp; Poster viewing</b>	
<b>10:30 –13:00</b>	<b>SESSION V: SOFT TISSUE PATHOLOGY</b>	
<b>10:30-11:15</b>	Myxoid soft tissue neoplasms: wolf in sheep clothing and reverse.	Prof. Abbas Agaimy
<b>11:15-12:00</b>	Immunohistochemistry as an adjunct tool in soft tissue neoplasia; from intermediate filaments to emerging next generation molecular antibodies	Prof. Abbas Agaimy
<b>12:00-12:30</b>	Slide session	Prof. Abbas Agaimy
<b>12:30-12:40</b>	<i>Interactive discussion</i>	
<b>12:40 –14:10</b>	<b>Lunch break, Poster viewing &amp; Friday prayer</b>	
<b>14:10 -14:40</b>	<b>Oral Abstract Session II</b>	
<b>14:10 –16:20</b>	<b>SESSION VI: UROLOGIC PATHOLOGY</b>	
<b>14:40-15:20</b>	Contemporary approach to reporting diagnostic and molecular findings in prostate biopsies and radical prostatectomy specimens.	Prof. Wael Saker
<b>15:20-16:00</b>	Update on the 2016 WHO classification of Bladder neoplasia: pathologic, clinical and molecular considerations.	Prof. Wael Saker
<b>16:00-16:10</b>	<i>Interactive discussion</i>	
<b>16:10 – 16:30</b>	<b>Tea break &amp; Poster viewing</b>	
<b>16:30-17:10</b>	Slide Seminar “Diagnostic Dilemmas in newly identified GU malignancies”	Prof. Wael Saker
<b>GALA DINNER AT 20:00</b>		

### Day 3: Saturday, 18 November 2017

Time	Program	Speaker
<b>8:30 – 12:00</b>	<b>SESSION VII: GASTROINTESTINAL PATHOLOGY</b>	
<b>8:30-9:10</b>	Classification of GI Polyposis Syndromes	Dr. Tomas Slavik
<b>9:10-9:50</b>	Burning Issues in Esophageal Pathology	Prof. Elizabeth Montgomery
<b>9:50-10:00</b>	<i>Interactive discussion</i>	
<b>10:00 –10:30</b>	<b>Tea break &amp; Poster viewing</b>	
<b>10:30-11:10</b>	Update on GEP NETS	Dr. Tomas Slavik
<b>11:10-11:50</b>	Iatrogenic GI Tract Injury	Prof. Elizabeth Montgomery
<b>11:50-12:00</b>	<i>Interactive discussion</i>	
<b>12:00-12:30</b>	<b>CLOSING CEREMONY &amp; AWARDS</b>	
<b>12:30 –13:30</b>	<b>Lunch break &amp; Poster viewing</b>	
<b>13:30-16:00</b>	<b>SESSION VIII: GYNECOLOGIC CYTOLOGY</b>	
<b>13:30-14:30</b>	Squamous and glandular gynecologic cytology: Cytologic-Histologic correlates, HPV testing and management	Dr. Fadi Abdul Karim
<b>14:30-14:45</b>	<i>Interactive discussion</i>	
<b>14:45-15:45</b>	Squamous and glandular gynecologic cytology: clinical and pathological contribution to cytologic-histologic discrepancy.	Dr. Fadi Abdul Karim
<b>15:45-16:00</b>	<i>Interactive discussion</i>
